DETAILED ACTION

Allowable Subject Matter

1. Claims 1-4 are allowed.

Reasons for Allowance

2. The following is an examiner's statement of reasons for allowance: When read as a whole, claims 1, 3, and 4 are allowable with respect to the following limitations:

With respect to claim 1, the primary reason for allowance is the limitation of wherein the on-chip emulation device is contained entirely on-chip as in combination with the limitation of an interface on said integrated circuit chip having a first port connected to said communication port of said on-chip emulation device and a second port connected to a universal serial bus, said host computer system having a universal serial bus port connected to said universal serial bus wherein said host computer system comprises a proxy server program for managing the universal serial bus port to enable communication over said universal serial bus.

With respect to claim 3, the primary reason for allowance is the limitation of wherein the on-chip emulation circuitry is contained entirely on-chip as in combination with the limitation of integrated circuit chip further having an on-chip usb interface connected to a target usb port.

With respect to claim 4, the primary reason for allowance is the limitation of wherein the on-chip emulation circuitry is contained entirely on-chip as in combination with the limitation of integrated circuit chip further having an on-chip usb interface connected to a usb port,
